

REMARKS

Claims 1 and 2 have been canceled and new Claims 3 through 6 have been added to eliminate the element numbers that were present in the claims of the International Application as previously filed and to conform with standard U.S. claim formalities.

The specification has been amended to correct the spelling of "centre" and an abstract section has been added to the specification. No new matter has been added.

Entry of the above amendments prior to calculation of filing fees and prior to examination on the merits is respectfully requested.

Respectfully submitted,
